

People believe black cats are unlucky.

Someone stole my car.

You can buy tickets on the train.

I don't like people asking me my age.

We expect you will finish the work today.

My grandmother gave me this ring.

They had sent a message.

The kept him waiting for an hour.

She likes people praising her.

You shouldn't leave your bags unattended.

The people elected him minister.

They will invite her to the party.

You mustn't refreeze ice-cream.

Scientists accept that passive smoking is harmful.

What are you doing about my missing order?

No one knows why the dinosaurs disappeared.

Many people believe that French fries make you fat.

The police are questioning her now.

They will have finished the work by Friday.

Someone has broken the chair.

We're not going to need these extra boxes.

Someone cheated John.

They would never have caught the thief if it hadn't been for Sherlock Holmes.

The designer decorated the plate with a flower pattern.

Do the police know him?

Your performance surprised her.

No one can solve this problem.

The President opened the park in 1964.

They have had to fly in emergency supplies from the US.

We will send your exam results in July.

They have closed the bridge while they are carrying out repairs.

The court didn't accept his explanation and sent him to prison.

You must store this meat at 20 degrees Celsius for no more than 48 hours.

His behavior annoys me.

Black cats are believed to be unlucky.

My car was stolen.

Tickets can be bought on the train.

I don't like being asked my age.

We expect the work to be finished today.
