

I'll call her after dinner.	I doubt I'll ever	go and live in another country.	Do you think you
will move house in the next year?	I'm going	to watch TV when I get home tonight.	What are you going to do
on Sunday afternoon?	When do you think	you will get married?	Look at those clouds.
It's going to rain.	We'll probably go	to Japan for our Christmas holiday.	It might
rain. So I'd take an umbrella.	The phone's ringing.	I'll get it.	I've just listened to the weather report. It's going
to be hot again today.	We're out of milk again.	OK. I'll get some on my way home.	How long do you think it will
take to get there?	Have a good trip and I'll	see you on Friday.	We thought we might have a drink after work.
Fancy coming?	You're going to fall over	if you don't do up your shoelaces.	When are you going to call your Mum?
