

# Future time expressions dominoes 2

future.	I'm expecting my exam results any	day now.	What will people think of the current age in years
to come?	Where do you think you will be living in ten years'	time?	I'll be with you
shortly. I've just got to finish this.	How do you see your career developing going	forward?	Where will you be this time
next week?	Some say that time travel will be possible at some	point in the future.	What will life be like twenty years
from now?	A spokesperson said emergency measures would be implemented within	weeks.	What changes do you expect in your life in the next
few years?	Experts say major changes are unlikely in the short	term.	New products that use AI will become available in the near
