

Past simple and past continuous dominoes

for nearly an hour.	I learned a lot about finance	while I was working for a large bank.	She cut her finger
while she was cutting vegetables.	She had a cup of tea	when she got home.	While we were waiting for the train
we had a coffee on the station platform.	I first met Richard	when I was travelling in Europe.	I was watching TV when the
thunderstorm started.	Sorry I didn't answer. I was having a shower	when you called.	I had a bath,
got dressed and went out.	She was having a tea break	when her boss walked in.	I watched TV
then I had a bath and went to bed.	It was a beautiful morning.	The sun was shining and the birds were singing.	We waited for the train
