

Regrets and past conditionals

for your clear directions, we would have got lost.	But for your help and encouragement,	I'd never have managed it.	I now regret
leaving school at sixteen. I should've stayed on in the sixth form.	Had I not booked in advanced,	we wouldn't have got a seat.	If I hadn't been wearing a seat belt,
I'd definitely have been seriously injured.	If you'd done what I said,	you wouldn't have broken it.	I wish I'd
bought a flat when the prices were lower.	If it hadn't been for the traffic,	we would have got there on time.	If you hadn't shouted at him,
he wouldn't have got so upset.	I regret not	taking my mother's advice. She always knew best.	Had it not been for the awful weather,
there would have been more people.	I wish I hadn't	eaten so much at lunch. I'm ready to fall asleep!	If it hadn't been
